SUZZARA
BLUE

**A complete range
of automatic nozzles
designed for the AdBlue®/ DEF
worldwide market.**

PIUSI SpA,
world leader in the manufacturing
of AdBlue®/DEF dispensing equipment
is proud to introduce the new range
of automatic dispensing nozzles.

The new automatic nozzle is reliable, lighter, easy to handle,
ergonomic and sets the new standard for this sector.

PIUSI's innovation and use of the latest manufacturing and
materials technology ensures they continue to be at the
forefront of AdBlue®/DEF dispensing technology.
