## Nothing Guards Like **Fleetguard**.

As a filtration company that manufactures its own media, Cummins Filtration knows the science from the inside out. With a full line of filters specifically engineered for a wide range of systems, you receive advanced design and high quality performance, providing the ultimate protection for all your equipment.

- Meets OEM specifications - Fleetguard engineers all products to meet or exceed OEM specifications to ensure engines and other systems get maximum life.
- Backed by the best warranty in the business - With the most inclusive and comprehensive warranty in the industry, you can have complete confidence in your purchase.
- Filters for every fleet - Fleetguard has over 8,300 products covering the widest range of air, lube, fuel and hydraulic filters in the heavy duty industry.
- Systems approach - We don't just provide parts. We are a comprehensive supplier to support the maintenance of your equipment.

LCA FILTER KITS

HEAVY DUTY  
ENGINE COOLANT

## Any Engine, Anywhere

- Any engine, anywhere
- Life of engine coolant (no extender)
- 1.5 million kms/6 years
- Propylene glycol based premixed coolant
- Uses organic additive technology (OAT) to provide long lasting protection against corrosion and liner pitting (cavitation) and is compatible with the different elastomeric seals, gaskets, plastics and metal alloys used by OEM heavy duty engine manufacturers.
- BNAPS free (contains no Borate, Nitrite, Amine, Phosphate or Silicate) and is designed as a 'life of the engine' coolant when used as a complete fill in a well maintained and monitored cooling system.
